

St. Andrew Bay RMA

CLEAN WATER
NETWORK of FLORIDA

***Airport Issues in the West Bay Watershed:
Unfulfilled Promises Threaten a Fragile Resource***

*A Joint Presentation by the St. Andrew Bay Resource Management Association (RMA) and
the Clean Water Network of Florida (CWN-FL)*

Thursday, 18 February 2010, 6:00-8:30 PM

*Sarzin Lecture Hall, Language and Literature Building (see back for directions)
Gulf Coast Community College
5230 Highway 98, Panama City*

This meeting is intended to raise public awareness of threats to the West Bay watershed due to environmental violations caused by construction at the Northwest Florida Beaches International Airport. The Resource Management Association and Clean Water Network of Florida will present information on water quality and seagrass impacts to West Bay and provide recommendations to protect the watershed from future impacts. The presentations will include “Local Voices” featuring video interviews of residents in the affected areas.

- 6:00 Meeting sign-in and information packet distribution**
- 6:30 Meeting Goals (Kennard Watson, RMA, and Linda Young, CWN-FL)**
- 6:45 Water Quality Issues in Crooked Creek and Burnt Mill Creek
(Patrice Couch, RMA)**
- 7:15 Local Voices (video interviews of West Bay residents)**
- 7:30 Seagrass Status and Trends in West Bay (Linda Fitzhugh, RMA)**
- 7:45 Recommended Actions (Linda Young, CWN-FL)**
- 8:00 Open Forum: Questions and Answers**
